“...but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.” — Isaiah 40:31

You wrote out a check, or you gave us your credit card number. You may have simply clicked the donate button on our website - and that's it! Your part in the success of Shepherds College is over.

But is it really?

**Not at all.** Your generous act of giving to support the students with intellectual disabilities at Shepherds College makes an impact that ripples far beyond the process of donating.

## With your gift, you set the following in motion:

When your gift is received, prayers of gratitude go up throughout the campus. The Maintenance team can now purchase a new faucet for the kitchen or replace the old hot water heater in the Wood Center basement. The teachers can now order a piece of adaptive equipment needed to help with the new autistic student, and the Business Office can pay the electric bill in full. **God is thanked and glorified for His provision.**

When your gift is received, Shepherds College can now hire the qualified, Christian staff members who will provide support, care and instruction to each student. The people who work at Shepherds aren't seeking personal success and financial gain; they are people who love God and others more than themselves and who seek to make an impact for the kingdom of God through their service to people with intellectual disabilities. **God is thanked and glorified for supplying workers for His fields.**

When your gift is received, hope soars in the hearts of our students and their families. Shepherds College can now provide scholarships to make their dreams of college and future independence attainable. **God is thanked and glorified for His faithfulness in answering prayers.**

### Your gift...

is represented in the future of each graduate of Shepherds College. Each year, 70% to 80% of our current graduates find employment. Many are living independently and have an active faith life. Most alumni have a new sense of worth and purpose. All of them have gained skills they didn't possess before Shepherds College.

If you haven't already done so, please visit our Shepherds College Facebook page and look for the Celebrating Success stories, or pick up SOAR Magazine and flip to the Alumni page. Read about the individual success stories of each graduate and know that God accomplishes those successes through your generosity to His mission.

Because ultimately, when your gift is received, it allows a small, non-profit, Christian school with a big mission to continue to reach students with intellectual disabilities and their families with the hope of Christ.

*Thank you for your generosity to the students of Shepherds College!*
